Opis produktu

Show your Yeti Cycles and Colorado pride by donning these lightweight, thoughtfully constructed mountain bike socks.

Show your Yeti Cycles and Colorado pride by donning the Yeti Cycles CO Flag Sock. Made for us by our friends at Sock Guy, these socks are light weight while offering just the right amount of compression and double stitching in the heel and toe. Thanks to the Easy-Fit(TM) cuff these socks won't cut off circulation, but won't get demoted to chain rags for being slouchers (slochy socks aren't making a comeback). Cool mesh construction on top offer maximum ventilation and ensure a slim feel.
