Opis produktu

YETI'S BEST SELLING WOMEN'S SHORT. MULTIPLE POCKETS TO STASH PHONE, SNACKS AND TOOLS.

Our most popular women's shell short, the Norrie 2.0 Short is light enough for quick lunch rides while equally at home on epic all-day trail adventures. Long rides mean extra gear and you'll always have enough storage space with four total pockets that keep your gear safely stashed. Add internal glide patches on the lower legs for long climbs up and a DWR for when its really coming down, this short will keep up with you no matter how fast and long you go for. The flattering and clean lines of the Norrie 2.0 Short gives a feminine look that's hard to find in a short of this caliber.
