Opis produktu

OUR BEST SELLING RIDE SHORT

It's still the one we'd pick! Our bestselling, most feature rich short has an updated, refined fit. The 14" inseam easily gives way for fitting the burliest of knee pads. Four total pockets keep your gear safely stashed. Add zippered thigh vents for the climbs up and a PFC-free, C0 DWR finish for when it's coming down. This short will keep up with you no matter how fast and long you go for. Like you best bud trail pup, you'll want the Freeland on every ride.
