Opis produktu

MINIMALIST BOARD-SHORT INSPIRED TRAIL SHORTS WITH 4-WAY STRETCH FABRIC

The Mason Short provides the ultimate in lightweight riding comfort and is built for those who prefer a weightless feel and breathable shell short. Four-way stretch fabric provides unrestricted movement and the semi-elastic waistband stretches to provide the perfect fit. A zippered security pocket stashes snacks, tools, or phone without interfering with pedaling comfort. With a board-short inspired look and a dialed-in mountain-bike-specific fit, the Mason performs equally as well on your favorite trail as it does your local watering hole.
